

Livingston Alumni Association February Update

Mon, Feb 11, 2008 at 6:34 PM

You have likely read the announcement by University President Richard L. McCormick about the [changes in alumni programs at Rutgers](#). We would like to get your feedback on the types of programs that the Livingston Alumni Association should continue to provide for you and other members. To help us, please complete a [short online survey](#).

More information about the changes in Rutgers alumni programs and their effect on the LAA can be found in the Winter 2008 LAA newsletter, which will be delivered to your mailbox shortly. For a preview, [visit our website](#). We invite you to share your comments about the changes in alumni relations at laaemail@alumni.rutgers.edu

In our January update, we omitted a very important class reunion - the Class of 1973, which is one of the earliest graduating classes of Livingston College! Class of 1973, we thank you for the leadership and pioneering efforts in the development and growth of Livingston, and hope that you will be involved with Reunion 2008! For more information or to help out, please contact laareunions@alumni.rutgers.edu.

Finally, the Rutgers Student Activities Committee is holding a Speed Networking Night on Wednesday, February 20, at 7 p.m. in the Busch Campus Center. As with the Speed Networking Night recently organized by Rutgers Career Services, LAA, and the Rutgers Alumni Association Undergraduate Committee, this event will be another great way for alumni to provide career guidance to students. If you would like to participate, please email laaemail@alumni.rutgers.edu.

Thank you very much for your support.

Best wishes,
Marty Siederer, LC'77
