## Livingston Alumni Association Programs

I would like to thank all Livingston alumni who shared their thoughts about the upcoming Livingston Legacy programs we outlined in our August message. We are very grateful for the interest in these programs and will share more updates in coming weeks.

We are very pleased to be partnering again with Rutgers Career Services and the Undergraduate Committee of the Rutgers Alumni Association (RAA) on [Speed Networking Night](#), which will take place on December 3 at the Busch Student Center. For those of you who have participated in past Speed Networking Nights, I'm sure you share my enthusiasm for the great time and services we provide to students who are seeking career advice or tips on how to land their first job. If you have not joined us, this is a great opportunity to meet other alumni and the students who will soon graduate from Rutgers and join the alumni ranks.

Please contact us at [laaemail@alumni.rutgers.edu](mailto:laaemail@alumni.rutgers.edu) to let us know if you can help out.

Thanks very much for your participation in our programs.

Regards,
