

Livingston Alumni November Update

If you have already signed up to be a participating alumnus in the December 3 Career Speed Networking Night, co-sponsored by the Livingston Alumni Association, Rutgers Alumni Association's Undergraduate Committee, and Rutgers Career Services, please accept our deepest thanks and review the information below for participating in the evening. If you have not yet signed up to help out, there's still time! More information below.

I thought you would also enjoy the following note from LAA Membership Chair Joe Capo:
"There are a few posters on display in Kilmer Library illustrating Rutgers Student Activism 1960-1985, which includes a couple of pictures of the old Livingston days with the 'Pluralism' section." Sounds like a great program to check out!

Finally, courtesy of Sue Romano from the Rutgers University staff, a number of Livingston College yearbooks are available from the following years: 1994, 1998, 1999, 2001, 2002, 2003, 2005, and 2006. (There possibly may be other years available; check with us at laaemail@gmail.com.) If you never received a yearbook or would like an extra copy, please contact us at laaemail@gmail.com so that we can make arrangements to send it to you for a nominal cost of \$5 to cover shipping. There are a limited number of books available, so please send in your request as soon as possible.

And, here are more details about the December 3 Speed Networking program. Thanks again for your support! Stay tuned for more information about the Livingston Legacy program and Livingston Distinguished Alumni Awards Dinner.

Regards,
Marty Siederer LC'77
President, Livingston Alumni Association

Hello, Fellow Alumni!

Time is flying by and in just two weeks we are hosting our third annual Speed Networking event and we need your help on Wednesday, December 3, from 6:00 to 9:30 p.m. (Please register by November 26).

Rutgers has been producing winning students for over 240 years, and we have an opportunity to support some of those winners (all future Rutgers Alumni) by helping them to network in the 'real world.' Our event last year was fun and rewarding for students and alumni, and we had a significant impact on the students we met. This year, we have booked the entire multipurpose room and expect to double the attendance by alumni and students with a focused agenda, super food, and a gift for all participants. In addition, this year we will be raffling some gift certificates for the students.

Even though this is not a job fair, several students have landed jobs directly or indirectly at this event in the past!

Please RSVP to martysiederer@hotmail.com and please forward this email to fellow Rutgers alumni! I'll need your school(s) and degree(s), profession, and industry so that we can better facilitate meaningful interactions with the students. This year we have partnered with Rutgers Alumni Association and Rutgers Career Services. We also have a few photos online from last year's event!

Here are the details:
Speed Networking
Wednesday, December 3, from 6:00 to 9:30 p.m.
Busch Campus Student Center Multipurpose Room

604 Bartholomew Road, Piscataway
RSVP: martysiederer@hotmail.com

This thoughtfully executed event will be a fun, interactive, and informative evening for both students and alumni. The event is open to all Rutgers students and alumni, regardless of campus or school affiliation.

The agenda for the evening will be as follows:

6:00-6:50 p.m. Alumni Registration and Alumni Meet & Greet (complimentary light supper and beverages will be served)

7:00-7:15 p.m. Welcome and Evening Overview, Comments by Janet Blair Jones, Senior Associate Director Rutgers Career Services

7:15-8:15 p.m. Speed Networking (a series of approximately 20 three-minute exchanges)

8:15-8:30 p.m. Dessert Break

8:30-9:30 p.m. Social Hour & Card Exchange; Network Development: Relationship Building; Career Services Meet & Greet

In an effort to maximize the number of introductions and exposure to our diverse backgrounds and professional experiences, please be prepared to share your name, profession, and industry in 30 seconds or less during Speed Networking. Students will also introduce themselves and the rest of the time can be spent getting to know each other. We will provide both you and the students with talking points to help the conversation get started.

You will have time for deeper information exchanges during the Social Hour. This will be your opportunity to talk to students with whom you connected, address additional questions, and exchange contact information. Please be sure to bring plenty of business cards to give to students who make a positive impression on you and with whom you'd be open to future networking and correspondence.

The evening's dress is business professional. Let's set an example for our students from the get-go!

Parking will be available directly across from the Busch Campus Center in Lot 51. We ask that you arrive in time to register during the Alumni Meet & Greet. If you pre-register early we will send you a parking pass in advance. Parking permits will be available at the registration desk for those who register too late for us to depend on the mail.

For directions to the event, please click here:
