

December 2 Alumni-Student Speed Networking Event

Mon, Oct 5, 2009 at 2:01 PM

We need your help to make the next **Alumni-Student Speed Networking Program** a success! The Livingston Alumni Association is teaming up with the Rutgers Alumni Association's Undergraduate Committee and Rutgers Career Services for this event, to take place Wednesday, December 2, starting at 6 p.m. at the Busch Campus Center in Piscataway.

All of you who have been involved with past Speed Networking Nights have contributed so much to the growth and success of this program. We hope you can join us for this exciting fast-paced evening!

We would like to extend to you this early-bird invitation to join us as an alumni participant. Based on feedback from alumni participants, we will be expanding the amount of time for alumni to network with each other prior to the students entering the room. If you can help us on December 2, please email laaemail@gmail.com or complete the online registration form at <http://www.rutgersalumni.org/register.php?ID2=323>.

Additionally, we are interested in organizing a second Speed Networking program in March 2010 to take place in New York, and we need help from an alumnus or alumna who has access to a large meeting room. If you can help us, please email laaemail@gmail.com.

Livingston and Rutgers have a long tradition of producing winning students, and we have an opportunity to continue to support our future alumni by helping them to network in the "real world." Our event last year was fun, rewarding for students and alumni, and we had a significant impact on the students we met. Even though this is not a job fair, several students have landed jobs directly or indirectly from this event in the past!

Thanks so much for your help and support. I am looking forward to seeing you on December 2.

Best wishes,
Marty Siederer LC'77
