LIVINGSTON ALUMNI ASSOCIATION

Chartered Member of the Rutgers University Alumni Association

With the last commencement at Livingston College taking place on May 18, 2010, it is important that we continue to commemorate the legacy of our alma mater. We are seeking nominations for the Livingston Distinguished Alumni Award, Seth Dvorin Young Alumni Award, and Livingston Legacy Award. Information about these awards and a nomination form can be accessed on our [website](#). The deadline for submitting nominations is June 30. The award will be presented at the next Livingston Alumni Awards dinner, tentatively scheduled to take place on May 14, 2011, at the Livingston Student Center.

At the May 2010 Livingston College commencement, we had the honor of presenting the Pride Award to Victoria Rowlands. I am pleased to announce that the award has been renamed the Livingston Alumni Association Riki Jacobs Pride Award and will continue to be presented to a deserving student on the New Brunswick Campus who embodies the Livingston mission.

All who attended the May 15 Reunion reception and performance by Larry, Family, and Friends had a great time, joining Livingston alumni and their guests for a look at the new student center and the excitement of Reunion programs throughout the entire weekend. View pictures from the event [here](#).

And, we have more Livingston Legacy programs to announce:

- All Philosophy majors are invited back to campus on October 13 to meet the professors who helped bring this department to prominence at Livingston and throughout the Rutgers community. Read more and register for this program [here](#).
- Also in October (date TBA), the Department of Africana Studies will be hosting a commemoration at the Paul Robeson Cultural Center to celebrate the 40th anniversary of the department's beginnings at Livingston College. More information coming soon.
- Finally, we are working with Larry Ridley on organizing a Livingston Legacy panel discussion about the Livingston jazz program. We are looking for contact information for professors and students that were part of the exciting jazz program years at Livingston. Please share your contacts with former professors and students by emailing them to info@livingstonalumni.org.

Thanks so much for your involvement and support.

Best wishes,
