

The Livingston Alumni Association held a very stimulating board retreat at the end of July, and a number of innovative ideas came forth towards preserving the legacy, contributions, and core values of our Alma mater. Our discussions were triggered by our memories of Livingston and the college's history. A Livingston history timeline was developed at the meeting, and we welcome your help with adding in any missing information. Please [download the timeline](#) and send your memories and information to [info@livingstonalumni.org](mailto:info@livingstonalumni.org).

As a result of the board retreat, we will be developing programs to reach out to and celebrate the clubs, organizations, and all aspects of classroom and student life at Livingston. Join us for the programs that are already on tap for the coming year, including

- **Livingston Legacy Philosophy Department Celebration:**

Join us for an exciting program celebrating the history and contributions of the philosophy department, which had its beginnings at Livingston and continues to be a leading department at Rutgers. Panelists are scheduled to include professors Martha Bolton, Martin Bunzl, Mary Gibson, Peter Klein, Howard McGarry, Brian McLaughlin, and Dwight Murph. Refreshments will be served, and there will be opportunities to network with the panelists, alumni, and students. [Register now for this program](#).

- **The Department of Africana Studies will be celebrating the 40th anniversary** of its beginnings at Livingston College with a weekend of activities and programming in October designed for the founding faculty members, department alumni, and friends of Africana studies. For more information, please contact Dr. Kim Butler at [kbutler@rci.rutgers.edu](mailto:kbutler@rci.rutgers.edu).

- **The Rutgers Alumni-Student Speed Networking** event is a winner for alumni, who have the opportunity to mingle and get to know each other over a light dinner while networking with students throughout the evening to provide advice and tips towards their career and post-graduation paths. In order to accommodate the growth of this program, the 2010 event will be at a new location: the Rutgers Student Center on the College Avenue Campus in New Brunswick. [Register now](#) for the next event, to take place on Wednesday, November 17, 2010, or contact [info@livingstonalumni.org](mailto:info@livingstonalumni.org) for more information. The program is cosponsored by Rutgers Career Services, Livingston Alumni Association, Rutgers Alumni Association, Cook Alumni Association, and the Graduate School of Education Alumni Association.

- Make sure to **save the date of May 14, 2011, for our next Livingston Distinguished Alumni Awards Dinner**. We will be recognizing Professors Jerome Aumente, Gerald Pomper, and Larry Ridley with Livingston Legacy Awards, and our Distinguished Alumni Award recipients are scheduled to include Greg Brown LC'82 and Eddie Jordan LC'77. Look for more details and ticket information shortly.

If you'd like more information or are interested in helping, please contact [info@livingstonalumni.org](mailto:info@livingstonalumni.org) or speak with a board member at Rutgers Homecoming in Scarlet Square on October 2.

Hope to see you soon.
