As alumni, we feel a special connection with Livingston, Rutgers, and its students, which makes the Alumni-Student Speed Networking Night such a successful event. This event is dedicated to providing current students with support and networks to help them with their transition into becoming our future alumni.

The [Rutgers Alumni-Student Speed Networking event](#) is a winner for alumni, who have the opportunity to mingle and get to know each other over a light dinner. Students participating in the program meet with a series of alumni in three-minute intervals, stressing the importance of networking, and that every alumnus or alumna is an important resource. Students can network with alumni throughout the evening to get advice and networking tips toward their career and post-graduation paths. Alumni from all job fields, including business, finance, marketing, human resources, nonprofit, government, education, entertainment, and legal, join us each year.

This is the last chance to register for the fifth annual Alumni-Student Career Speed Networking event, to take place on Wednesday, November 17, 2010 starting at 6:00 p.m. at the College Avenue Student Center on the New Brunswick campus. [Please register by November 10](#) and participate in this always exciting program that provides enormous benefits for all Rutgers students. In addition to our long-time cosponsors, the Rutgers Alumni Association's Undergraduate Committee and Rutgers Career Services, we are joined by two new cosponsors, Cook Alumni Association and the Graduate School of Education Alumni Association.

If you know of a junior or senior year student at a Rutgers New Brunswick campus, this is an ideal opportunity for them to meet alumni to help take that next step in their post-graduate lives. Please feel free to share [the event flyer](#) with them.

We wish all a happy and a healthy Thanksgiving holiday season.

Best wishes,
Marty Siederer LC'77
President, [Livingston Alumni Association](#)
