Rutgers Annual
COAT DRIVE
Help us help those in need!

The Livingston Alumni Association (LAA) is teaming up with the Rutgers Alumni Association (RAA) to

help collect new or gently-used coats at the November 16 Rutgers-Cincinnati football game. The coats will be donated for distribution by Jersey Cares, a non-profit community organization that supports those in need. If you already are planning to attend the game, please donate a coat to help those less fortunate get through the winter months. Coats will be collected at entrances to High Point Solutions Stadium prior to the game. The LAA board will be collecting coats at the Rutgers Athletic Center. If you are parking your car at the RAC, please drop off the coat you are donating there, and meet our volunteers! For more information, contact info@livingstonalumni.org.

The LAA is also gearing up with the Rutgers Alumni Association and other Rutgers New Brunswick/Piscataway Alumni Associations for the December 4 Alumni-Student Career Speed Networking event at the College Avenue Student Center in New Brunswick. This is the last chance for alumni to register to join us for this fun program. The center of this event, which starts at 6 pm, is dedicated to providing current students with support and networks to help them with their transition into becoming our future alumni. [Register now](#) and plan on joining us. If you know a current Rutgers student, please share the information for [student participation and registration](#) with them.

The LAA is an official chartered member
of the Rutgers University Alumni Association
