LC Grads Network With Students, Collect Coats

Livingston Alumni Association members were very active participants in the December 2013 [Alumni-Student Speed Networking event](#), which drew 200 alumni dedicated to providing support and career networking opportunities to current Rutgers students (also numbering about 200). The ninth annual Rutgers Alumni-Student Career Speed Networking will be held Wednesday, December 3, 2014, from 6:00 to 9:00 p.m., again at the Rutgers Student Center on College Avenue.

And in November, LC alumni helped collect hundreds of winter coats for the organization Jersey Cares, as part of the Rutgers University Alumni Association's annual Day of Service in honor of the anniversary of the university's founding.

Remembering LAA's Bill Bauer

William S. ("Bill") Bauer Jr. (LC'86, GSNB'89), a former president of the Livingston Alumni Association, passed away Tuesday, November 26, 2013. He was 49.

Bill served for many years as an executive council (board) member of LAA, including several terms as president or first vice president of the organization.

Paul Herman, a former assistant dean of Livingston College, remembered: "Prior to Bill's freshman year I ran an experimental summer orientation program and he was the first student to register for it, and as I recall, he was the first person to show up for the program. As I came to learn, that was typical Bill, always there, always ready to do whatever it takes to make something work, and always a loyal Livingston and Rutgers man. He will always be missed."
