## Livingston College Distinguished Alumni and Livingston Legacy Awards

The LAA is seeking nominations for our biennial awards ceremony scheduled for October 17, 2017, honoring Livingston College Distinguished Alumni. Do you know of a fellow alum who is an active leader in his or her community or changing lives in some way?

Since 2000 the LAA has honored [32 men and women](#) who have distinguished themselves by contributions they have made in their chosen fields of endeavor, by the leadership they have exhibited, and by the general benefits to the larger society resulting from their activities.

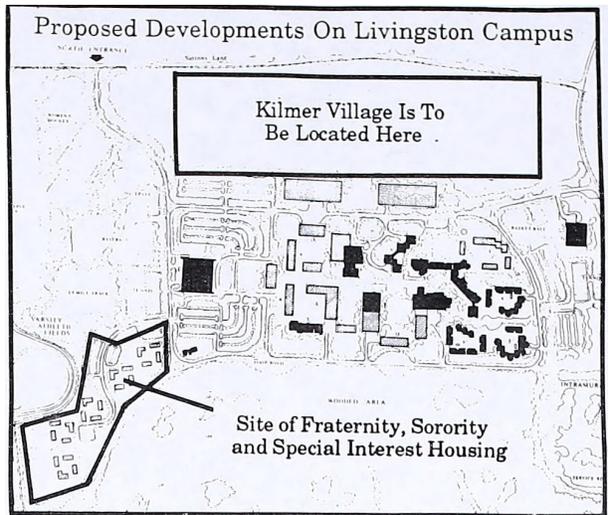

The event also honors inspiring faculty and staff who have played a key role in the establishment and growth of Livingston College and its mission, and who have contributed to the overall Rutgers and global communities, with the [Livingston Legacy Award](#).

## Livingston Campus Growth Was Long Planned

Visitors to Livingston in the past few years have seen a vastly expanded campus with [new facilities for academics, student life and visitors](#). Did you know that the university proposed similar plans back in 1990 and 2004? The [1990 plan](#), shown in the pictured proposal, would have included apartments, shopping and student housing.

The LAA's history project has allowed us to scan and make available to the public materials such as the 1990 Targum article detailing the proposed "Kilmer Village."
