

Livingston Alumni Association June 2008 Update

Fri, Jun 6, 2008 at 8:05 PM

Please join us in extending our congratulations to the nearly 800 seniors at Livingston College who were part of an exciting graduation ceremony on May 24, and are now the newest members of the Livingston Alumni Association! The commencement address was delivered by Liza Kirschenbaum LC '87, a 2006 recipient of the Livingston Distinguished Alumni Award. Congratulations to Jacqueline Whitfield, the recipient of the 2008 Livingston Pride Award. She and the past recipients of the Pride Award truly embody the special attributes of Livingston College.

Special thanks to all who were involved with planning and participating in the May 2008 Reunion Weekend. We had record-setting participation at the Knights On Broadway Cabaret, presented by the Livingston Alumni Association (LAA) and Livingston Theatre Company, and an exciting update during the LAA's annual meeting from Dean Lea Stewart about the upgrades that are being made to the Livingston Campus. Congratulations to the members of the 2008-09 LAA Board who were elected at our annual meeting.

You have likely read about the new Rutgers University Alumni Association (RUAA) that will be launched on July 1, 2008, and may be wondering about the future of the Livingston Alumni Association. More information about the RUAA and changes in the university's Alumni Relations programs were included in the LAA's most recent newsletter, but I would like to assure you that the LAA is very alive and thriving, and has an exciting calendar of events planned for alumni, including:

- A Day At The Races, presented by the University College-New Brunswick Alumni Association, June 14, 2008
- Homecoming Weekend, October 17-19, 2008
- Speed Career Networking Night, in collaboration with the Rutgers Alumni Association
- Exciting Young Alumni Programs
- Reunion Weekend, May 15-17, 2008. We are looking to involve Livingston's clubs and organizations and present our Distinguished Alumni Awards.
- Livingston Legacy Lectures
- ...and more!
