Highlights from "Livi at 50: A Celebration of Livingston College"

A near-capacity crowd of Livingston alumni came to the James Dickson Carr Library (former Kilmer Library) on the Livingston Campus on October 25 for "**Livi at 50: A Celebration of Livingston College's 50th Anniversary.**" The program featured a panel discussion with three Livingston Alumni - Staci Berger LC '94, Noah Hart Jr. LC '73 and Robert Snyder LC '77 - who shared their perspectives about Livingston's influence on the University-wide and global levels. A highlight of the event was the question-and-answer session, when audience members representing Livingston's first years shared their memories of college life and the impact Livingston had on their lives. Special thanks to the Rutgers University-New Brunswick Libraries staff for cosponsoring the program.
